Request for Modification to the SDS Student Accommodation Plan

This form is for use by students who are requesting a modification or service that is not included in the Student Accommodation Plan.

Name: _____

CUID: _____

Please provide an explanation (either below or attach a separate page) for the requested accommodation or service, including information about the course, program or university activity and the manner in which the accommodation will afford equal access to educational programs and services.

Your SDS counselor will review this request with you. Consultation with the course instructor or program director may be necessary. In situations where the connection between the requested accommodation and the goal of equal access to education is not apparent, additional information from a certified practitioner in the area of your disability may be required.

SDS will respond to all requests in writing within five working days.
